

Online Research Bibliography of Written Language & Literacy

Version 12 - Most-frequently cited entries -

Compiled and edited by Terry Joyce [terry@tama.ac.jp]

© February 2024

This is a supplement to the main ORBWLL Version **12** PDF, which currently contain **10,741** bibliographic entries.

This file lists the top **209** most-frequently cited entries, in descending order (from **242** to **38** citations).

NB: An online version (<http://faculty-sgs.tama.ac.jp/terry/awll/orbwill/index.html>) also includes **Cited by** information for the majority of entries, based on the **79,713** citations among the source bibliographies. For that reason, it may be most beneficial to also consult the online version in combination with this PDF version and the main ORBWLL data PDF.
